BACKGROUND and LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kinder, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 5-to-15-hour program to three-year-old children enrolled at a sessional service (subject to the length of funded program offered)
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kinder supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kinder subsidy guidelines and be responsive to the local community.

Relevant legislation and standards include but are not limited to:

- Education and Care Services National Law Act 2010
- Education and Care Services National Regulations 2011: Regulation 168(2)(n)

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. Approved provider, Nominated supervisor, Notifiable complaints, Serious incidents, Duty of care, etc. refer to the Policy Definitions file.

Children/families experiencing vulnerability and/or disadvantage (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

Concession: A Commonwealth Government entitlement providing concessions for low-income earners and other eligible people. This includes one of the following:

- a Commonwealth Health Care Card
- a Commonwealth Pensioner Concession Card
- a Department of Veterans Affairs Gold Card or White Card
- Refugee or Asylum Seeker visa (200-204, 786 or 866)
- Bridging visas for any of the above Refugee or Asylum Seeker visas
- Multiple Births (triplets or more)
-

Early Start Kindergarten (ESK): provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- the family have had contact with child protection.

These children can also access free year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

Early Start Kindergarten extension grants: provides a free or low cost year-before-school kindergarten program for children:

- not eligible for the Kindergarten Fee Subsidy

Free Kinder: A Victorian Government Best Start, Best Life initiative providing Free Kinder programs for four-year-old and three-year-old children in funded services, that have opted into the initiative.

Free Kinder supports families to access a funded kindergarten program by:

- providing a free 15-hour program to 4-year-old children enrolled at a sessional service

- offsetting the funded kindergarten program component of parent fees for 3 and 4-year-old children enrolled at a long day care service.

Funded Kindergarten: The Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. The funding is a contribution towards meeting the cost of the kindergarten program. Funded kindergartens charge fees to help meet the cost of running kindergarten programs. Fees are set by individual kindergartens and depend on things like how many hours children attend and whether there are extra costs such as excursions.

High priority families: as defined in the Kindergarten Guide this includes:

- Children at risk of abuse or neglect, including children in Out-of-Home Care
- Aboriginal and/or Torres Strait Islander children

Kindergarten Registration fee: A payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable. High priority families (*refer to Definitions*) **should not be charged** any fees or levies, unless it is for outside the funded hours

Pre-Prep: Four-Year-Old Kindergarten will gradually transition to Pre-Prep over the next decade from 2025. Funded kindergarten hours will double from 15 to up to 30 hours a week. Pre-Prep will be delivered through sessional kindergartens and long-day-care centres. By 2032, children across Victoria will have access to 1,800 hours of funded kindergarten before school, comprising 600 hours of Three-Year-Old Kindergarten and 1,200 hours of Pre-Prep.

Excursion/service event charge: An additional charge required to meet the cost of special events or excursions that occur in response to emerging children's program needs. Events that are planned ahead and are included as an expenditure item in the service's budget do not incur this additional charge (refer to Excursions and Service Events Policy).

Fees: A charge for a place within a program at the service.

Kindergarten fee deposit: A charge to secure a place that has been offered in a program at the service. This is deducted from term fees. This deposit should not act as a barrier for enrolment of vulnerable families

Kindergarten Fee Subsidy (KFS): A state government subsidy paid in addition to per capita grants to subsidise the costs of parent fees and enable eligible children to attend a funded kindergarten for 15 hours free of charge (The Kindergarten Funding Guide (*refer to Sources*))
